GOSPEL REFLECTION

For Jesus, the baptism was a tuning point in His life as he totally identified Himself with the human beings and announced the beginning of His public ministry. He goes down to the waters not to transform and cleanse himself but to transform and cleanse the waters so that when we are baptized in spirit and water, we may be cleansed of all our sins and be restored to the status of the children of God. At the baptism of Jesus, the heavens were opened and he saw the spirit of God descending like a dove, and alighting on Him; and behold, a voice from heaven was heard, "this is my beloved son, with whom I am well pleased." By the sacrament of Baptism, God takes a total claim on us and makes us His own. The ultimate baptism of Jesus is his self-sacrificing death on the cross. Through this ultimate act of obedience to the will of His Father He gains us victory over sin and death leading us to eternal life. Baptism as Pope Benedict XV1 would put it, "is the bridge Jesus built between Himself and us, the road on which He makes himself accessible to us. It is the divine rainbow over our lives, the promise of God's great "yes", the door of hope and, at the same time, the sign that indicates to us the path to take actively and joyfully in order to encounter Him and feel loved by Him." Let us live the baptism in our lives as it is the guarantee of our eternal life.
